**WHEREAS, WCGME** is a sponsoring institution offering graduate medical education for residencies in Internal Medicine, Family Medicine, and Psychiatry as accredited and approved by the Accreditation Council on Graduate Medical Education ("ACGME") and the American Osteopathic Association ("AOA"), as appropriate (in the singular, and collectively "Residency Program"); and

**WHEREAS, WCGME** has offered, and Resident Physician has accepted, an appointment to WCGME's Residency Program under the terms and conditions set forth in this Agreement; and

**WHEREAS**, various manuals, handbooks, policies and procedures are referenced and incorporated herein and may be revised, amended or newly issued from time to time as a result of accreditation requirements or at the discretion of WCGME, as the case may be, which Resident acknowledges and with which Resident agrees.

**NOW, THEREFORE**, in consideration of the mutual promises contained in this Agreement and intending to be legally bound hereby, WCGME and Resident agree that Resident shall accept the appointment on the terms and conditions herein.

### 1. Level and Term of Training Appointment

The Residency Program Director is responsible for determining the Resident's level of training appointment and the specific duties assigned. By this Agreement, WCGME agrees, and Resident Physician accepts appointment as a \_\_\_\_\_ Resident in the Program contingent on the Resident meeting all prerequisites of employment set forth in this Agreement. The term of appointment shall be referred to as the "program year." Employment with WCGME shall commence on \_\_\_\_\_ and shall continue for a period of one year, up through and including \_\_\_\_\_ unless: (a) WCGME does not receive a valid copy of a Passing Score Report for your USMLE Step II or, as appropriate, COMLEX Level II-CE and COMLEX Level II – PE, prior to May 1, 2019, in which case this Agreement is null and void; (b) the Physician's participation in the Residency Program is terminated sooner in accordance with the terms of this Agreement; or (c) the Physician's training is extended for any lawful reason, in which case the terms of this Agreement shall remain in effect through completion of the program year. Upon satisfactory completion of three (3) years of training in the WCGME Residency Program, those Residents who have otherwise satisfied all obligations to WCGME will be eligible to sit for the Specialty Certification Exam, as appropriate.

Participants in any ACGME or AOA accredited training program will not be required to sign a restrictive covenant or non-compete agreement in order to participate in the training program.

**4. Subsequent Program Year**

Renewal of this Agreement for a subsequent program year is dependent upon satisfactory progress by the Resident as determined solely by evaluation of the Physician's performance by the appropriate Program Director and faculty and successful completion of the USMLE Step III or the COMLEX III Examination (if applicable), as defined in the House Staff Manual. WCGME shall make its best efforts to notify the Physician at least three (3) months prior to the expiration of the current term of employment pursuant to this Agreement regarding renewal or non-renewal of this Agreement and, if renewed, the term of such renewal. However, if the primary reason(s) for the non-renewal occurs within the three (3) months prior to the expiration of the then-current term, the Resident shall be provided with as much notice of non-renewal intent as the circumstances will reasonably permit. In any event, nothing in this Agreement shall be construed to confer upon Resident an automatic right to extension of this Agreement for a subsequent Residency year or part thereof.

**5. Termination of Agreement and Due Process**

- a. Resident may terminate this Agreement voluntarily by providing no fewer than ninety (90) days prior written notice to the Program Director, via hand delivery to the GME Office or certified mail with return receipt.

  - Resident's conduct that is reasonably considered by WCGME or its partners to be gross insubordination, gross dereliction of duty, unethical, fraudulent, unlawful, or adverse to the interest, reputation, or operations of WCGME, or any affiliated training site.

No failure by either party to insist upon the strict performance of any covenant, agreement, term or condition of this Agreement or to exercise a right or remedy shall constitute a waiver. No waiver of any breach shall affect or alter this Agreement, but each and every covenant, condition, agreement and term of this Agreement shall continue to full force and effect with respect to any other existing or subsequent breach.

22. **Captions and Constructions**

The captions used as headings of the various paragraphs hereof are for convenience only, and the parties agree that such captions are not to be construed to be part of this Agreement or to be used in determining or construing the intent or context of this Agreement.
